Re: Referee Administrative Handbook

Please be advised that the most recent edition of the Referee Administrative Handbook has the following print errors:

1. On the inside front cover, the last sentence should read: "Revised 2005" (not 2004).
2. On Page 18, the heading for the second column should read "Referee Assignor," not "Referee Assignor/Futsal Referee". The heading on the third column should read "Indoor Referee/Futsal Referee."
3. On page 21, the assessment criteria for upgrade to State Referee, Grade 5, should read: Pass two field assessments as referee and one as assistant referee in affiliated top adult Division 1 leagues or higher (the underlined portion was omitted in the print copy).

Please disseminate these corrections within your state, particularly the third instance, which inadvertently changes the grade requirements for referees upgrading to 5. If you have any questions, please e-mail me at [jilacqua@ussoccer.org](mailto:jilacqua@ussoccer.org). This memo will also be posted on the Referee Page, Referee Administrative Handbook at [ussoccer.com](http://ussoccer.com). We apologize for any inconvenience these printing errors may have caused.

Thank you.
